NMS Cinemas

By: Saurav Kumar

The image displays two screenshots of a web application named "NMS Cinemas". The top screenshot shows the "Register Here" page, which has a light blue background. At the top, there is a navigation bar with links for "Home", "Login", "Register" (which is underlined), and "Forgot Password". The main heading "Register Here" is centered. Below it, there are four input fields: "Enter your Email", "Enter your name", "Enter your Mobile" (with a "+91" prefix), and "Enter your password" (with an eye icon for toggling visibility). To the right of the password field is a "Select Gender" dropdown menu currently set to "Male". Below these fields is a checked checkbox for "Agree to terms & conditions" and a large red "Register" button. The bottom screenshot shows the "Login" page, which also has a light blue background. The navigation bar is similar, but "Login" is underlined. The main heading "Login" is centered. Below it, there are two input fields: "Enter your username" and "Enter your password" (with an eye icon). A large red "Login" button is at the bottom. Both screenshots show a Windows taskbar at the bottom with various application icons and a system tray displaying the date and time as 14:07 on 15-06-2022. The browser address bar shows the URL "localhost:4200/user/register" for the top page and "localhost:4200/user/login" for the bottom page.
